ORDER

This matter was before the Honorable Ronald Thurman, Chancellor, on the 6th day of August, 2024, upon Plaintiff's Motion for contempt & Clarification on issues related to whether a second entity is involved; and

Upon calling the matter up, it appears to the Court that resolution of the issue of a second entity requires resolution prior to ruling on the motion;

It is therefore ORDERED;

1. Counsel for Defendants shall, within 15 days after entry of this Order, file such

documents and/or legal arguments supporting what appears to be Defendants' position that a Property or Home Owners Association exists as a separate entity than Lake park Resort, Inc., the named Defendant, and it's Board.

2. Plaintiffs' counsel shall either file a response and/or opposing documents within 15 days thereafter, or add the additional entity if a response appears unnecessary.
3. The Court shall hear and resolve any dispute as to the existence of the additional entity.
4. The Motion for contempt is otherwise continued until it is confirmed all necessary parties are before the Court.

ENTERED this the 9th day of August, 2024.

Ronald Thurman
